If your products are on a 1 month subscription term, they will automatically renew next month at the same price listed here, unless otherwise indicated.

NOTE: Your purchase includes enrollment in our automatic renewal service. This message confirms that during the checkout process, you agreed to [GoDaddy's Universal Terms of Service Agreement](#), [Privacy Policy](#) and [all other agreements applicable to your purchase](#). You can obtain a list of all agreements and policies to which you agreed by contacting GoDaddy customer service and visiting the GoDaddy Legal Agreements and Policies page. Your use of the purchased products is governed by the terms of these agreements and policies. If you wish to cancel your purchase, please learn more about our [Refund Policy](#). This message also confirms that during the checkout process, you agreed to enroll your products in our automatic renewal service. This keeps your products up and running, automatically charging then-current renewal fees to your payment method on file, with no further action on your part. If you do not wish to continue using our automatic renewal service, you can cancel by visiting the Renewals and Billing page in your account. If you selected an installment payment option during checkout, the option applies to a product's current term only and you will pay the then-current full amount upon automatic renewal. You may, however, select an additional installment payment option, if available, for a product by visiting the [Renewals and Billing page](#) in your account and manually renewing a product.

Note: Our free product credit policy was updated — see Section 9 of our [Universal Terms of Service](#) for more details. In the event that the credit is redeemed, after the initial free one-year period, the free product will automatically renew at the then-current renewal price until canceled. To review billing or to update your payment information, [log in to your account](#). If you do not wish to renew, you can cancel this product by visiting the [Renewals and Billing page](#) in your GoDaddy account.
