### Introducing SolarTogether - An FPL Shared Solar Program

SolarTogether is an exciting new program that allows you to participate directly in large-scale solar projects in Florida. As a participant, you will be able to offset up to 100% of your energy usage with solar and receive monthly bill credits on your FPL bill for a fixed subscription rate.

The program will be filed with the Florida Public Service Commission (PSC) in the first quarter of 2019. Based on preliminary feedback, we anticipate it will be very well received, and we're providing you with the opportunity to pre-register starting Nov. 29, 2018, through Jan. 25, 2019. By pre-registering, you are reserving your spot in the program as FPL will enroll you upon PSC approval.

#### Renewable Benefits

- Offset up to 100% of your annual energy usage (subject to availability)
- Meet sustainability goals - FPL to retire Renewable Energy Credits (RECs) on your behalf

#### Economics

- Simple payback by seven years
- Fixed monthly subscription rate
- Bill credits that escalate over time

#### Terms

- No upfront costs or termination fees
- No contract
- Subscription is transferable within FPL territory
- Subscription cannot be sold or transferred to another customer

Once you pre-register, you will receive a confirmation email. As a future participant, FPL will continue to update you on the status of the program in 2019 as we near approval and launch.

We invite you to learn more about the program at an upcoming webinar - visit **FPL.com/sswebinar** for a list of dates and times.

Sincerely,

**John Haney**  
Sr. Director of Customer Solutions
