Hello!

I have taken over payments and accounting and have been getting everything sorted out. Her dues are \$3000 annually. We have been trying to move everyone to monthly payments via cc, would that work for her? I am currently away from my desk but I am happy to send over an invoice or speak to your directly and get that set up. Please let me know what works best for you.

Sorry...I hit send prematurely. Noreen Parker, the General Manager of Fox17 asked that I contact you all to inquire about membership dues for the coming year. Can you help me with this? Thanks!

**Thank you,**
