Hi Wendy,

I just heard back from Treasury and they put a "stop payment" on the check. It is outstanding. Let me know if you would like to use the Pcard or have another check sent.

Thanks,

Sally can you please let us know on this – it doesn't look like it's been cashed – the check is to renew the station's Sam club membership in my name which expires this Saturday – 4/30/16. Could we stop pymt on the check and I can try to use the p-card to renew? – thanks for your help.

Can you check to see if this check has been cashed? I looked in Oracle and it looks like it has not been cashed yet.
It is check number 110619384 made out to Sam's club for the amount of \$45.00

Thanks for your help!

It was paid on 3/25/16 check number 110619384. It says that it wasn't cashed yet. I think we have to wait a month before they will stop payment and then reissue. I will set a reminder for next Tuesday to look and if it is not cashed do the same thing I did with the notary check. It might be the same thing they don't know where to post it.
