Need-to-Know Information

CDMA Network Retirement

As you were previously notified, your CDMA 3G and certain older 4G devices will be impacted by the CDMA network retirement on December 31, 2022. Please upgrade your impacted device(s): sign in to your My Business account by visiting verizon.com/business/login, contact your sales representative, or call 800.922.0204.

Economic Adjustment Charge

Our number one priority is to provide exceptional service to your business and consistently deliver the quality and reliability that you expect from Verizon Business.

Just as you are seeing in your business, Verizon Business is seeing a wide range of increases in its costs to provide service. As these challenges have continued to mount, we have made the decision to add an Economic Adjustment Charge.

On June 16, 2022, Verizon Business began adding the charge to newly activated and upgraded lines, existing lines that have completed a contract-based line term, and lines that have twelve (12) months or fewer remaining on a Device Payment Plan Agreement. The amount of the charge is \$2.20 per month/line for each smartphone and data device, and \$0.98 per month/line for each basic phone and tablet device. As lines meet these criteria, the charge will be automatically added to your bill. You can find the Economic Adjustment Charge in the Other Charges & Credits section of your bill.

Thank you for trusting in us and choosing Verizon Business as your partner. We remain committed to delivering outstanding network performance, service excellence and value for your business.

Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telematics, high-speed Internet, video, and local and long distance services. Visit Verizon.com for more information on our services and companies.

These charges, and what's included, are subject to change from time to time.**

Effective January 11, 2023, the definition of the Administrative Charge will be modified to help defray and recover certain direct and indirect costs we or our agents incur, including: (a) costs of complying with regulatory and industry obligations and programs, such as E911, wireless local number portability, and wireless tower mandate costs; (b) property taxes; and (c) costs associated with our network, including facilities (e.g. leases), operations, maintenance and protection, and costs paid to other companies for network services.

Please note that this surcharge is a Verizon Wireless charge, not a tax or government-imposed fee. This charge, and what's included, is subject to change from time to time.
