**Customer Issues and
Advisories****Work Description**

This is a new car to us it was at the Greenville News emote site NOT well Maintained Per Bill
 We want to go over it well add RevX to Oil change

Advisory Notes

This invoice has the alignment added.

We did not find any significant oil leaks however it was 4K miles past it's last oil change so the fresh oil and revX may help
 be sure to get it in the spring and fall for oil changes even it it is not up to miles yet. Over all car is in good shape for
 intended purpose.
