Payment is due at the time in which the charge is incurred. To make a payment, select "payments" > "account payment" within the portal. Penalties for non-payment may include: cancelation of current enrollment (known as disenrollment) or incurring new charges for additional registration, transcript or diploma requests.

UMUC accepts a variety of payment options to meet your educational needs. To learn more about our payment options, Please visit www.umuc.edu/paymentoptions.

****Military and Tuition Assistance Students:** Tuition Assistance (military and non-military) is not applied automatically at the time of enrollment. Once UMUC has received the proper payment notification, application of payment may take up to 2 business days to reflect on your account.

All charges at least 90 days old are subject to additional collection efforts which may include transfer to the State Central Collection Unit (SCCU). Once a balance has been transferred to SCCU, a collections fee of 17 percent is added to the total amount transferred.

All balances with SCCU must be paid through SCCU. Once an account has been transferred, all requests for services (registration, transcripts, diplomas, commencement reviews, transcript evaluations, etc.) will be denied until all debts are paid in full.
